Preface

This project is a personal undertaking to rewrite and annotate the Holy Bible for study, reflection, and understanding. The primary text used throughout is the *New King James Version (NKJV)*, though other translations may occasionally be referenced where clarity, variation, or historical interest requires. Each book of the Bible is treated as a separate chapter, and each begins with a brief summary outlining its themes or narrative structure.

The scripture is presented verse by verse using a custom format that allows for inline references and annotations. These annotations include (but are not limited to) historical background, translation notes, literary and cultural context, scientific references, theological or reflective questions, and general comments. Each of these various types are also color-coded for ease of reference/reading. They are marked inline with a custom symbol (e.g., *) and collected directly below the verse for easy association.

This is an ongoing and evolving project. At the time of writing this preface, it is highly incomplete and is being developed incrementally. As updates, corrections, and expansions are made, the version number of the document will be incremented accordingly. This allows for tracking progress and identifying updated material across future iterations. This work is intended for personal study and is freely shareable for non-commercial purposes.

Various Subtle Formatting Meanings

There are various subtle formatting techniques which have specific meanings, These are outlined below:

- As done in the NKJV, scriptural words which are *italicized* are 'added', but are not meant to change any meaning only to provide better understanding with our modern English language. Within the commentary and notes, *italics* are instead used as they typically are in standard English writings for emphesis or proper reference formatting.
- Scripture numbers are in **bold** for ease of finding.
- Words that Jesus spoke are "quoted and in red."

Note Types and Symbols

The following is a list of annotation types used throughout this work. Each note is marked with a specific icon and color to indicate its category and purpose:

History - <u>m</u>: Provides historical or cultural background relevant to the verse or passage, such as ancient customs, geopolitical context, or historical events.

Translation - AZ: Offers insight into the original language, alternative translations, or meanings of words and phrases from the Hebrew, Aramaic, or Greek texts.

Context - ②: Highlights the literary, narrative, or cultural context of a passage, aiding in its interpretation and situational relevance.

Science - L: Connects the passage to scientific ideas, natural phenomena, or the relationship between scriptural content and modern science.

Question - **?**: Poses theological, philosophical, or reflective questions raised by the verse, encouraging deeper thought and study.

Sermon - Ψ : Presents insights, illustrations, or applications drawn from sermons. These notes may include quotes, thematic connections, or interpretations offered by preachers, providing a homiletic perspective that complements the text.

Cross-reference - • : Identifies connections to other passages of Scripture, highlighting thematic, prophetic, or textual parallels that provide interpretive insight or support broader biblical understanding.

Geography - M: Provides geographical information related to the passage, such as locations, travel routes, terrain features, and regional significance. This can aid in contextualizing the narrative within its physical setting.

Doctrine - I: Highlights theological principles, doctrines, or key insights derived from the passage. These notes may address topics such as the nature of God, salvation, sin, covenant, or other foundational beliefs, helping readers engage with the text theologically.

Literary - \mathcal{D} : Draws attention to the literary qualities of the text, such as poetic structure, metaphor, genre, parallelism, or symbolic language. These notes help identify stylistic features that shape interpretation and highlight the artistry of the biblical text.

Philosophy - • : Engages with metaphysical, existential, or interpretive ideas raised by the passage. These notes may reflect on questions of meaning, purpose, reality, or the nature of existence from a philosophical or worldview-oriented perspective. While not strictly theological or doctrinal, they aim to deepen reflection by considering how the text interfaces with broader human inquiry.

Note - . A general-purpose note for observations, clarifications, or commentary that doesn't fall into one of the above categories.

Referencing and Sources

Throughout this work, I include notes and annotations drawn from a variety of sources. Where references are uncommon, specialized, or potentially unfamiliar, I have made an effort to cite them directly in the notes. However, extremely common reference materials, such as general-use dictionaries, Wikipedia, or widely known facts, are not individually cited. My goal is to maintain clarity without overburdening the text with unnecessary attributions, while still giving appropriate credit where due.

Given the potential volume of references involved, not every source will be perfectly accurate. However, the aim is to identify and cross-check sources that corroborate one another to improve reliability. I consistently strive to reference high-quality material and present information that reflects careful consideration and verification. That said, with certain subjects, such as Hebrew translation nuances, this level of validation is not always possible or straightforward, and in such cases I will primarily rely on the work and interpretation of external sources.

Important Disclaimer

Because I am manually typing and writing each scripture by hand - there is a very large chance for human error. Although I will try to remain diligent and record all scriptures accurately, at times, typos and potentially even missed lines may be missed. This is simply the fallibility of being human. This is entirely unintentional and will be fixed and corrected as any mistakes are found or pointed out. If you (as a reader) finds any of these, please bring them to the attention of the author.

Genesis

Summary:

Chapter 1: The History of Creation

¹In the beginning God created the heavens and the earth.^a

a - L: "In the beginning" implies that there was a beginning. "The heavens" could refer to the entire cosmos or even space itself. "The earth" could refer to the entirety of matter within the universe or simply bring the focus to earth (while not explicitly excluding anything outside of earth).

Beginning of day one •

²The earth was without form, and void; and darkness was on the face of the deep. And the Spirit of God was hovering over the face of the waters^b.

- a Az: The word for "was" (Strong's 1961[1]) can be translated as became or come to pass.
- a L: If translated as became, this could imply that earth was something before. This suggests that there could have been a passage of time before creation and the following events. It could either then mean that there was a possible history of Earth before the following creation events, or it could simply be that after the creation mentioned in Genesis 1:1, earth was in this state. This idea supports a pre-existing physical earth before the creation described in the following scriptures. This is consistent with modern scientific understanding of the age of the earth.
- b 2: "Hovering" establishes an Earth-based perspective, with the narrative describing creation from Earth's surface, focusing on transforming chaos to order.

³Then God said, "Let there be light^a"; and there was light.

a - A: Diffuse sunlight through a thick early atmosphere could create a day-night cycle before celestial bodies are visible.

⁴And God saw the light, that it was good; and God divided the light from the darkness. ⁵God called the light Day, and the darkness He called Night. So the evening^a and the morning^b were the first day.^c

- a Az: The word for "evening" (Strong's 6153[1]) is also translated sunset.
- b Mz: The word for "morning" (Strong's 1242[1]) means sunrise or the end of night (start of the day).
- b ②: The "evening and the morning" are established as the time measurement for a day. This is a foundational basis for time keeping throughout the Bible that is important to remain consistent on. The time period for a day begins at sunset, and ends the following *sunset* (encompassing an evening and a morning).

Beginning of day two

⁶Then God said, "Let there be a firmament^a in the midst of the waters, and let it divide the waters from the waters." a - Az: The word for "firmament" (Strong's 7549[1]) can sometimes be interpreted as a solid (This is one scripture that is used to suggest the earth has a solid dome around it), but more appropriately means an expanse, the heavens or the sky. a - A: This corresponds to a stable atmosphere forming, separating surface waters from vapor and creating an atmosphere for the earth.

⁷Thus God made the firmament, and divided the waters which were under the firmament from the waters which were above the firmament^b; and it was so.

- a **!**: These would be the water on the ground seas, puddles, ponds, rivers, etc.
- b **!**: This would be the water in the sky clouds, vapor, etc.

⁸And God called the firmament Heaven^a, so the evening and the morning were the second day.

a - More are multiple different words commonly translated to "heaven". In this context (Strong's 8064[1]), the word simply means the sky.

Beginning of day three •

⁹Then God said, "Let the waters under the heavens be gathered together into one place, and let the dry land appear"; and it was so. ¹⁰And God called the dry land Earth, and the gathering together of the waters He called Seas. And God saw that it was good. ¹¹Then God said, "Let the earth bring forth grass, the herb that yields seed, and the fruit tree that yields fruit according to its kind, whos seed is in itself, on the earth"; and it was so.

- Learly vegetation (e.g., algae) could grow easily with diffuse light from day 1, before the sun's visibility. Given perpetual cloud coverage, plants could also still flourish if enough diffuse light made it through the cloud coverage. Even a thick hazy atmosphere which would obstruct the view of stars and the sun could still allow enough photons through for photosynthesis to occur (Many plants in rain forests thrive in these conditions while shaded by other trees).
- 2: Plants before the sun's visibility (day 4) fits a sequence from earth's perspective with a potential hazy atmosphere not yet revealing celestial bodies.

¹²And the earth brought forth grass^a, the herb that yields seed according to its kind^b, and the tree that yields fruit, whos seed is in itself according to its kind. And God saw that it was good.

- a A: If the atmosphere was thick hazy (at this point) such that light could not easily get through, the plants would naturally clear this, by filtering the air, allowing a natural progression from this to the next day's events of the atmosphere clearing.
- b \(\Lambda\): The phrase "according to its kind" is of great importance. This states that fruit will always create seeds according to its kind, and not of another kind. This has always been observed to be true, and even in cases of cross-breading - the fruit yields seed according to its kind, and not of other kinds.

¹³So the evening and the morning were the third day.

Beginning of day four •

- ¹⁴Then God said, "Let there be lights in the firmament^a of the heavens to divide the day from the night; and let them be for signs and seasons^b, and for days and years;
 - a A: As the atmosphere clears, the stars, sunlight, and moonlight become visible through the atmosphere, which creates the lights in the sky.
 - b **.** The "signs and seasons" establishes a time-keeping system for the Biblical Holy Days.

¹⁵ and let them be for lights in the firmaments of the heavens to give light on the earth"; and it was so. ¹⁶Then God made two great lights^a: the greater light to rule the day, and the lesser light to rule the night. He made the stars also^b.

- a A: This is the same thought/day as Genesis 1:14, where the stars become visible through the atmosphere. From the perspective of earth, as the atmosphere clear, the sun and moon become visible and appears as though they are new creations.
- b \(\Lambda \): If we consider the sequence of events here in correlation to modern day understanding (which would of course be very limited compared to God), this sequence of earth being created in six days suggests that either the entire universe was created in this sequence to demonstrate Gods power and capabilities, or that the rest of the creation (outside of earth) was already created (which perfectly correlates to the gap theory mentioned in Genesis 1:2). This would also align with modern theories of the age of the universe and other timelines.
- b 3: If the gap theory is not close to accurate, why would God have taken six days to create earth, when he was able to create the rest of the universe ("the stars also") in less than a day? This could either be explained by the above note, or by God outlining the importance of earth by timing these events in this way. But as mentioned in previous creation events, things would be more consistent if this latter thought was not the case.

¹⁷God set them in the firmament of the heavens to give light on the earth.

a - • One interesting and strange interpretation of this could be that there is a larger firmament around our solar system where the stars reside. There are some who surmise that we live within a simulation - which would align with the idea that our physical bodies and existence are temporary. This firmament is then like the outer shell of the simulation, where all the stars are actually just simulated data we've been observing - designed to give the exact appearance of a vast universe but actually just a shell that we will never surpass to prove otherwise. This would literally make our solar system the universe itself and everything else we see is just an illusion. This would align with the literal seven-day creation while addressing the question mentioned in Genesis 1:16.

 18 and to rule over the day and over the night, and to divide the light from the darkness. And God saw that it was good. ¹⁹So the evening and the morning were the fourth day.

Beginning of day five •

²⁰Then God said, "Let the waters abound with an abundance of living creatures, and let the birds fly above the earth across the face of the firmament of the heavens." ²¹So God created great sea creatures and every living thing that moves, with which the waters abounded, according to their kind, and every winged bird according to its kind. And God saw that it was good. ²²And God blessed them, saying, "Be fruitful and multiply, and fill the waters in the seas, and let birds multiply on the earth." ²³So the evening and the morning were the fifth day.

Beginning of day six **②**

- ²⁴Then God said, "Let the earth bring forth the living creature according to its kind: cattle and creeping thing and beast of the earth, each according to its kinda"; and it was so.
 - a L: The "according to its kind," distinction is of great importance. What is seen in nature is that each animal only ever gives birth or creates offspring of something which is according to its kind. This is similar to the idea of species, except not quite as constricted.
- ²⁵And God made the beast of the earth according to its kind, cattle according to its kind, and everything that creeps on the earth according to its kind. And God saw that it was good.
 - Lit's possible to interpret this in some interesting ways based on the current day understanding of the ecosystem and interdependence of all the plants, animals, bugs, etc. Since many things today are shown to be interdependent (such as the plants requiring insects for pollination or animals requiring plants for food), the literal six-day period of earths creation would make the most sense because of both the order that things appear, and the dependence of the various things that are coming into existence. The short time period would be required by the interdependence of the various life forms, whereas the order they appear in would make sense from an evolution perspective. There are many fields of study that attempt to show that various organisms are similar to each-other in a way that connects them. However, It would make sense that God would create new things using elements from the previous things he made - or have his creations build off of others (as any computer programmer would do for example).
- ²⁶Then God said, "Let Us^a make man in Our^b image, according to Our likeness; let them have dominion over the fish of the sea, over the birds of the air, and over the cattle, over all the earth and over every creeping thing that creeps on the earth."

 a - M2: The word "Us" here is translated into a *plural* English word, this supports there being at least two beings in the
 - God family as seen in John 1:1.
 - b $\blacksquare \Xi$: The word "Our" here is translated into a plural English word.
- 27 So God created man in His own image; in the image of God He created him; male and female He created them. ²⁸Then God blessed them, and God said to them, "Be fruitful and multiply; fill the earth and subdue it; have dominion over the fish of the sea, over the birds of the air, and over every living thing that moves on the earth." ²⁹And God said, "See, I have given you every herb that yields seed which is on the face of all the earth, and every tree whos fruit yields seed; to you it shall be for food.
 - . There's an apparent contradictory claim here against some modern (mis) understandings. Many seeds contain cyanide or cyanide producing compounds, which suggest they are not made for food. I wrote a sermonette message about this titled Apple Seeds[2], where I demonstrate that these compounds are actually perfectly safe and the human body is designed explicitly to break them down in normal quantities.

³⁰Also, to every beast of the earth, to every bird of the air, and to everything that creeps on the earth, in which there is life, I have given every green herb for food; and it was so.
³¹Then God saw everything that He had made, and indeed it was very good. So the evening and the morning were the sixth day.

Chapter 2: Life in The Garden of Eden

¹Thus the heavens and the earth, and all the host of them, were finished.

- ②: This scripture, which directly follows the concluding creation of earth and man, could mean that these described creation events were the last event needed for God to have fulfilled what he was making. If a *gap-theory* is correct, this implies that the earth was the final stone to place. If not, then it could have just been that this simply concludes the creation.

²And on the seventh day God ended His work which He had done, and He rested on the seventh day from all His work which He had done. ³Then God blessed the seventh day and sanctified it, because in it He rested from all His work which God had created and made.

- ②: This establishes the seventh day as a sanctified day of rest for the first time - as that is what God himself did.

⁴This is the history of the heavens and the earth when they were created, in the day that the LORD^a God made the earth and the heavens,

a - AZ: This is the *Tetragrammaton*, which is the four-letter Hebrew name of God, *YHWH*. This is the first time it appears.

⁵before any plant of the field was in the earth and before any herb of the field had grown. For the Lord God had not caused it to rain on the earth, and *there was* no man to till the ground; ⁶but a mist went up from the earth and watered the whole face of the ground. ⁷And the LORD God formed^a man *of* the dust of the ground, and breathed into his nostrils the breath of life; and man became a living being.

a - ②: The word for "formed" here implies personal involvement.

⁸The LORD God planted a garden eastward in Eden, and there He put the man whom He had formed. ⁹And out of the ground the LORD God made every tree grow that is pleasant to the sight and good for food. The tree of life was also in the midst of the garden, and the tree of the knowledge of good and evil.

a - **G**: Here we see that the *tree of life* is *separate* from the *tree of the knowledge of good and evil*. This is referenced again in Genesis 3:22.

¹⁰Now a river went out of Eden to water the garden, and from there it parted and became four riverheads. ¹¹The name of the first *is* Pishon^a; it *is* the one which skirts the whole land of Havilah, where *there is* gold.

a - Az: The river "Pishon" (Strong's 6376[3]) is a Hebrew proper noun. This term only occurs in the Bible once.

¹²And the gold of that land is good. Bdellium^a and the onyx^b stone are there.

- a AE: The word "Bdellium" (Strong's 916[3]) is a fragrant resin similar to myrrh.
- b **AE**: The word "onyx" (Strong's 7718[3]) is commonly translated as *onyx*, but more accurately represents a precious gem or stone (*perhaps onyx*). It is often associated with beauty, value, and it was used in the high priest's breastplate and other sacred objects.

¹³The name of the second river is Gihon^a; it is the one which goes around the whole land of Cush.

a - AE: The name "Gihon" (Strong's 1521[3]) suggests a river that bursts forth or flows abundantly.

¹⁴The name of the third river *is* Hiddekel^a; it *is* the one which goes toward the east of Assyria. The fourth river *is* the Euphrates^b.

- a Az: The name "Hiddekel" (Strong's 2313[3]) is often identified as the modern day Tigris River, which flows through present-day Turkey and Iraq. *Hiddekel* is an ancient Mesopotamian river name.
- a $\hat{\mathbf{m}}$: "The Tigris River, along with the Euphrates, is one of the two major rivers of Mesopotamia, a region often referred to as the "Cradle of Civilization." This area is historically significant as it is believed to be one of the earliest centers of human civilization, with ancient cities such as Nineveh and Babylon located along its banks. The Tigris has been a vital water source for agriculture and trade throughout history.[3]"
- b M2: The name "Euphrates" (Strong's 6578[3]) is translated from the Hebrew term *Perath* which is frequently mentioned as a geographical landmark and boundary marker. It is one of the most significant rivers in the ancient Near East.

- ¹⁵Then^a the LORD God took the man and put him in the garden of Eden to tend and keep it.
 - a P: This verse seems somewhat redundant when considered alongside Genesis 2:8. The structure of the text reflects a Hebrew narrative style and this verse serves to emphasize that God is assigning Adam responsibilities and not just placing him in the garden.
- ¹⁶And the LORD God commanded the man^a, saying, "Of every tree of the garden you may freely eat;
 - a **\| :** This is the first example of a commandment, where the following verse indicates an associated consequence.
- ¹⁷but of the tree of the knowledge of good and evil you shall not eat, for in the day that you eat^a of it you shall surely
 - a ME: The phrase "for in the day that you eat" sounds, in English, like it could be a known statement of the future almost like God is saying, when this inevitably happens, here are the consequences. In Hebrew, a verb can be in perfect tense, which implies that it has been completed. This phrase is in the perfect tense, but is referring to a future event - which could imply that it is certain to happen. In Hebrew, the perfect tense can sometimes be used prophetically or futuristically to indicate certainty about something that will happen. This is often determined contextually[5].
 - b As written in English, the phrase "you shall surely die" seems to suggest that Adam would die within the day or nearly immediately. However, some would say this can be better translated as "dying, you shall die," [4] or "In dying you will die," which would suggest this would only be the start of the process of dying.

- ¹⁸And the LORD God said, "It is not good that a man should be alone; I will make him a helper comparable to him." ¹⁹Out of the ground the LORD God formed every beast of the field and every bird of the air, and brought them to Adam to see what he would call them. And whatever Adam called each living creature, that was its name. Adam gave names to all cattle, to the birds of the air, and to every beast of the field. But for Adam there was not found a helper comparable to him^a.
 - a 2: This initially seems redundant, as this was mentioned in Genesis 2:18. However, it is a Hebrew style of writing where a thing is introduced and then further outlined and expanded upon. This is the exact same literary device mentioned in
- ²¹And the LORD God caused a deep sleep to fall on Adam, and he slept; and He took one of his ribs, and closed up the flesh in its place. ²²Then the rib which the LORD God had taken from man He made into a woman, and brought her to the man. ²³And Adam said:
 - "This is now bone of my bones And flesh of my flesh; She shall be called Woman, Because she was taken out
- ²⁴Therefore a man shall leave his father and mother and be joined to his wife, and they shall become one flesh. ²⁵And they were both naked, the man and his wife, and were not ashamed.

Chapter 3: The Temptation and Fall of Man

- ¹Now the serpent^a was more cunning than any beast of the field which the LORD God had made. And he said to the woman, "Has God indeed said, 'You shall not eat of every tree of the garden'?"
 - a 9: In Revelation 12:9, the "serpent of old" is referred to as "the Devil and Satan." This is well known to be this serpent here in Genesis.
- ²And the woman said to the serpent, "We may eat of the fruit of the trees of the garden; ³but of the fruit of the tree which is in the midst of the garden God has said, 'You shall not eat it, nor shall you touch ita, lest you die.'
 - a 3: Did God say "not shall you touch it" or was this added by the woman? Perhaps they added this in their minds as a safeguard to keep them from even being tempted by the tree. For if they never touch it, they surely would fulfill never
- ⁴Then the serpent said to the woman, "You will not surely die^a.
 - a F: This is the first example of a lie within the Bible. Satan uses a single word to change a truth to a lie. He then follows it up with what appears to be truth (though they may not know that) to both entice and persuade the woman that he knows things they do not - that God was not telling them the whole truth.

⁵For God knows^a that in the day you eat of it, your eyes will be opened, and you will be like God, knowing good and evil^b."

- a 📭: This is a tactic of deception. Satan is making it seem like God knows something that he may be intentionally keeping from them.
- b **II**: To go against God is the definition of sin, which is an evil that they will immediately know.

⁶So when the woman saw that the tree *was* good for food, that it *was* pleasant to the eyes^a, and a tree desirable to make *one* wise^b, she took of its fruit^c, and ate. She also gave to her husband with her^d, and he ate.

- a • When questioning the commandment to not eat the tree, the first thing the woman noticed was that this tree fit other characteristics of the trees which they were allowed to eat of.
- b ②: The serpents words were interpreted as a good thing for the woman. She took the information she was given and saw it as good.
- c ②: When she took of the fruit, she would have noticed that she did not immediately die. In Genesis 3:2, she said she could not *touch it* lest they die which they likely added to Gods commandment. When seeing that she did not die from touching it, she could have deceived herself into thinking that they were not told what is true, which then made the decision to eat of it easier to come to.
- d ME: The phrase "her husband with her" perhaps makes it seem (at least how it appears in English) like Adam was with her the entire time as this was happening or at least with her when she took of the tree.

⁷Then the eyes of both of them were opened, and they knew that they were naked; and they sewed fig leaves together and made themselves coverings. ⁸And they heard the sound of the LORD God walking in the garden in the cool of the day^a, and Adam and his wife hid themselves from the presence of the LORD God. among the trees of the garden.

a - \mathcal{O} : This makes it seem like a regular and completely normal occurrence that God is walking around the garden with them.

⁹Then the LORD God called to Adam and said to him, "Where are you?" ¹⁰So he said, "I heard Your voice in the garden, and I was afraid because I was naked; and I hid myself." ¹¹And He said, "Who told you that you were naked? Have you eaten from the tree of which I commanded you that you should not eat?" ¹²Then the man said, "The woman whom You gave to be with me, she gave me of the tree, and I ate." ¹³And the LORD God said to the woman, "What is this you have done?" The woman said, "The serpent deceived me, and I ate." ¹⁴So the LORD God said to the serpent:

"Because you have done this, You *are* cursed more than all cattle, And more than every beast of the field; On your belly you shall go, And you shall eat dust All the days of your life. ¹⁵And I will put enmity Between you and the woman, And between your seed and her Seed; He shall bruise your head, And you shall bruise His heel."

 16 To the woman He said:

"I will greatly multiply your sorrow and your conception In pain you shall bring forth children; Your desire shall be for your husband, And he shall rule over you."

¹⁷Then to Adam He said, "Because you have heeded the voice of your wife", and have eaten from the tree of which I commanded you, saying, 'you shall not eat of it':

Cursed is the ground for your sake; In toil you shall eat of it All the days of your life.

a - **II**: This echos the concept that we are held personally accountable for our actions and we can not let others pressure our decisions. God *gave* Adam his wife, and yet God still held Adam to a standard of responsibility for his actions.

¹⁸Both thorns and thistles it shall bring forth for you, And you shall eat the herb of the field. ¹⁹In the sweat of your face you shall eat bread Till you return to the ground, For our of it you were taken; For dust you are And to dust you shall return."

²⁰And Adam called his wife's name Eve, because she was the mother of all living.

- ②: Some trains of thought argue that there were other people on earth at this time that did not come from Adam and Eve - this scripture directly disproves that.

²¹Also for Adam and his wife, the LORD God made tunics of skin, and clothed them. ²²Then the LORD God said, "Behold, the man has become like one of Us, to know good and evil. And now, lest he put out his hand and take also of the tree of life, and eat, and live forever" – ²³therefore the LORD God sent him out of the garden of Eden to till

the ground from which he was taken. ²⁴So He drove out the man; and He placed cherubim at the east of the garden of Eden, and a flaming sword which turned every way, to guard the way to the tree of life.

Chapter 4: Cain Murders Abel

- ¹Now Adam knew^a Eve his wife, and she conceived and bore Cain^b, and said, "I have acquired a man from the LORD."
 - a 2: To know someone in the Bible (as it is used like this) means to have sexual relations with them.
 - b Az: The word/name 'Cain' (Strong's 7014[1]) means 'possession.'
- ²Then she bore again, this time his brother Abel^a. Now Abel was a keeper of sheep, but Cain was a tiller of the
 - a Az: The word/name 'Abel' (Strong's 1893[1]) means 'breath.'
 - ②: There is an implied passage of time in this story which is definitely not explicitly stated. First, it does not state that these are the only children Adam and Eve bore. It also states the professions of Cain and Abel, which implies they had to have grown up and began working (babies cannot work). The directly implies that some unknown (potentially very long) amount of tie has passed during these events.
- ³And in the process of time it came to pass that Cain brought an offering of fruit of the ground to the LORD. ⁴Abel also brought of the firstborn of his flock and of their fat. And the LORD respected Abel and his offering, ⁵but He did not respect Cain and his offering. And Cain was very angry, and his countenance fell. ⁶So the LORD said to Cain, "Why are you angry? And why has your countenance fallen?" If you do well, will you not be accepted? And if you do not do well, sin lies at the door^b. And its desire is for you, but you should rule over it."
 - a 3: The context here is a little unclear. Is this perhaps Gods way of saying "what did you expect to happen? You were not doing what you are suppose to and you knew better" (aka: typical stubborn human behavior).
 - b- 3: This could refer to a sin offering. If Cain needed to give a sin offering, but did not, God would have been displeased. Perhaps Cain did something that he was not suppose to but acted as if everything was fine.
- ⁸Now Cain talked with Abel his brother; and it came to pass, when they were in the field, that Cain rose up against Abel his brother and killed him. ⁹Then the LORD said to Cain, "Where is Abel your brother?" He said, "I do not know. Am I my brother's keeper?" ¹⁰And He said, "What have you done? The voice of your brother's blood cries out to Me from the ground.
 - F: The blood crying out from the ground has an implication of God having a connection to our blood (or soul) after we are physically dead. This is obviously important, as it shows that some part of us remains in death.
- ¹¹So now you are cursed from the earth, which has opened its mouth to receive your brother's blood from your hand. ¹²When you till the ground, it shall no longer yield its strength to you. A fugitive and a vagabond^a you shall be on the earth."
 - a M: A vagabond (in English) is a person who wanders from place to place without a home or job having no settled home[6]. This is a fitting term since it says later in Genesis 4:16 that he dwelt in the land of Nod, which means wandering.
- ¹³And Cain said to the LORD. "My punishment is greater than I can bear! ¹⁴Surely You have driven me out this day from the face of the ground: I shall be hidden from Your face: I shall be a fugitive and a vagabond on the earth, and it will happen that anyone who finds me will kill me." ¹⁵And the LORD said to him, "Therefore, whoever kills Cain, vengeance shall be taken on him sevenfold." And the LORD set a mark on Cain, lest anyone finding him should kill him.

The Family Of Cain •

- ¹⁶Then Cain went out from the presence of the LORD and dwelt in the land of Noda on the east of Eden.
 - a Az: The word/name 'Nod' (Strong's 5113[1]) means 'wandering.'
- ¹⁷And Cain knew his wife, and she conceived and bore Enoch^a. And he built a great city, and called the name of the city after the name of his son-Enoch.
 - a Az: The word/name 'Enoch' (Strong's 2585[1]) means 'dedicated.'

 18 To Enoch was born Irada; and Irad begot Mehujaelb, and Mehujael begot Methusaelc, and Methusaelbegot Lamechd.

- a Az: The word/name 'Irad' (Strong's 5897[1]) means 'fleet.'
- b 📭: The word/name 'Mehujael' (Strong's 4232[1]) means 'smitten by God.'
- c ME: The word/name 'Methusael' (Strong's 4967[1]) means 'who is of God.'
- c Az: The word/name 'Lamech' (Strong's 4232[1]) means 'powerful.'
