Know Thy Enemy (Part 6) : A Possessed People

Antonius Torode

October 17, 2026

The concept of Zombies is a popular *fictional* idea that appears throughout our modern world in various forms. They appear anywhere from within video games to major films. Some children even dress up as zombies for Halloween. A zombie is typically a mindless reanimated corpse, which

> [possession] "controlled or overwhelmingly influenced by something (such as an evil spirit, a passion, or an idea) [1]."
